

Aquion

Water Treatment Products

Assurance Guarantee

In addition to the comprehensive Aquion Water Treatment Products warranty, your local Aquion dealer offers this further Guarantee of Assurance:

After the purchase and installation of any Aquion Water Treatment Product with either ION-X 100 or ION-X 2000 resin, the customer has thirty (30) days from the date of installation to compare their new Aquion Water Treatment Product with any other brand of water treatment equipment. If, by the end of thirty (30) days, the customer can locate a comparable water treatment system that meets all of the following three conditions, the undersigned Aquion dealer will not only refund the purchase price in full, but will let the customer keep their new Aquion Water Treatment Product with their compliments.

- Proof of a price lower than the newly installed Aquion Water Treatment Product
- Proof of third party product and contaminant removal certifications that equal those of the installed Aquion product
- Proof of a factory warranty that meets or exceeds the Aquion factory warranty*
